## **Tricon Capital Group Announces Inclusion in S&P/TSX Composite Index**

**Toronto, Ontario – September 14, 2015** - Tricon Capital Group Inc. (Tricon or the Company, TSX:TCN) announced today that Tricon will be added to the S&P/TSX Composite Index (the Index) effective after the close of trading on September 18, 2015.

S&P/TSX Dow Jones Canadian Index Services announced Tricon's inclusion in the Index in a news release dated September 11, 2015.

Over the past five years, we have focused on establishing Tricon as a leading diversified housing brand, said Gary Berman, President and Chief Executive Officer. Inclusion in the S&P/TSX Composite Index represents an important milestone in Tricon's history and recognition of our efforts and success. This inclusion will increase our exposure to a broader range of potential investors and should provide enhanced trading liquidity for our shareholders.

The S&P/TSX Composite Index is the headline index in Canada and serves as an indicator of broad market activity in Canadian equity markets. It includes the largest and most liquid companies on the Toronto Stock Exchange, as measured by market capitalization and trading volume. Inclusion in the Index can potentially broaden participation in a company's investor base by enabling investment from index funds and similar investment vehicles.
